Impact

offers a flexible approach which takes into account the different learning abilities of the students.

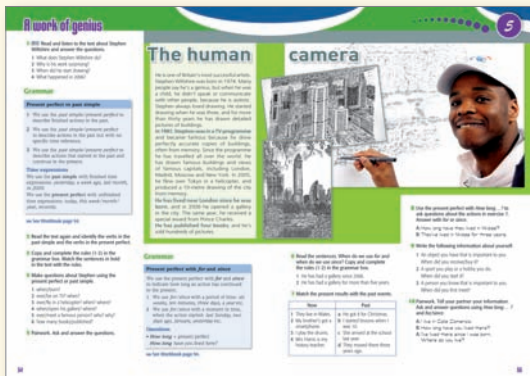

The Student's Book

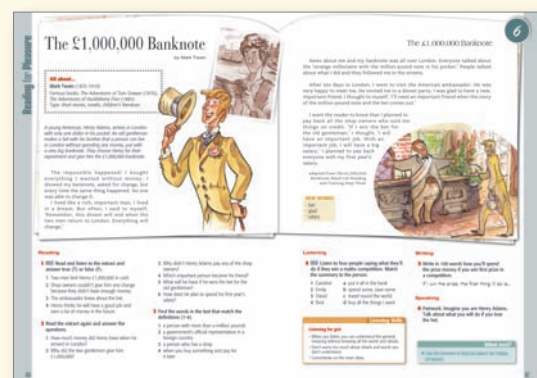

- Texts and activities which help students develop the necessary skills to communicate in real-life situations.

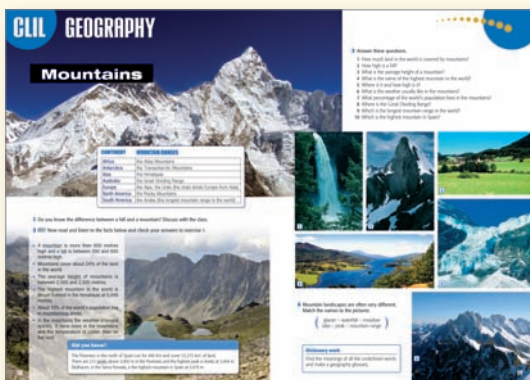

- Topics and texts introduce students to a multicultural English-speaking world.

- Clear, concise grammar explanations with lots of practice for steady progress throughout the course.

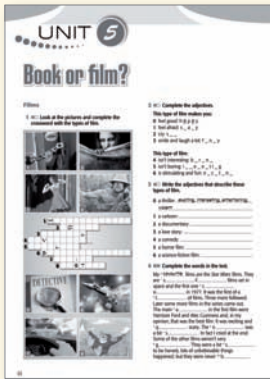

- Literary extracts from Black Cat Readers throughout all four levels.

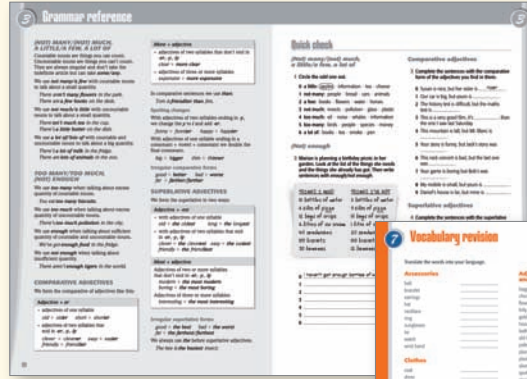

- CLIL pages integrate content from other subject areas.

The Workbook

- Graded activities at 2 levels to help teachers manage mixed ability classes.

- A Grammar Reference section with Quick Check exercises and a bilingual Wordlist for each unit.

- A full colour Vocabulary Revision, Vocabulary Extension and Portfolio Dossier section.

The Student's Digital Book

Quick access to all the audio tracks of the Student's Book

Phonetic chart to help with pronunciation

Digital reader with karaoke-style audio

Access to the 4 video episodes of the Student's Book

Extra online activities

Fully interactive, self-correcting activities

Integrated audio of the texts and activities

Impact

Focus on Reading

A literary extract with language activities in every other unit of the Student's Book.

- All about... box with information on the author and related works
- Activities in all four skill areas
- New Words table
- Tip boxes on writing, reading, speaking and listening skills
- What next? box with recommended activities

The Student's Digital Reader

Offline interactive activities

Listen to the text and read the words as they light up

Access to the CD-ROM

Video tutorial

Online Web activities
